While a flexible range of ports, an ergonomic keyboard with a numeric keypad and anti-reflective screen ensure **effortless usability**, so life's much easier for everyone.

Samsung recommends Windows 8.

Powerful performance

Built for speed

Even the most demanding applications won't slow you down with the latest 3rd generation AMD processor, and up to 500GB HDD.

Exceptional clarity

Anti-reflective screen

The anti-reflective 15.6" LED screen produces the sharpest images and boldest colours. It has no mirror effect even outdoors or under bright lights, so it won't tire your eyes.

Optimised image quality

Enjoy clearer images and video with true to life colours using the standard and movie modes of Samsung's innovative Image Enhanced Engine software.

Optimum usability

Fully expandable ports

Exchange data with external devices 10x faster using a USB 3.0 port. A HDMI port and VGA port also allow you to connect easily to any modern TV or monitor.

Easy Settings – Easy to manage

Quickly and simply control and optimise your computer's performance. An intuitive, graphical dashboard makes it easy to change any settings in one click.

Samsung recommends Windows 8.

Outstanding design

Vividly stylish

Be a real style leader and the envy of your friends and neighbours with a fashionable, modern design.

The key to easier use

A high quality, ergonomic island-type keyboard with a numeric keypad, Fn Lock Key and improved arrow key layout ensures maximum comfort and cleanliness.
