Wireless Optical Combo Set

X9310

This stylish 2.4 GHz wireless set looks great on any desktop with its stylish, streamline design. The keyboard boasts a really impressive 4.9 mm ultra-slim design and anodized aluminum housing. The Fn multimedia keys offer quick access to all important multimedia functions.

While the keyboard is very compact, it also has full-size keys, which makes typing much more comfortable. The mouse boasts an impressive design suitable for left- and right-handed use as well as a 1000 DPI optical sensor.

► Reliable 2.4 GHz wireless connection

Carefree wireless: The proven advanced 2.4 GHz standard offers you a range of up to 10 m and 360° coverage.

► Full-size keys

Zero compromises: Despite its compact size, this keyboard offers the typing comfort of a full-size keyboard. The generous spacing of the chiclet keys, with scissor-key structure, offer a pleasant and smooth typing experience, especially when it comes to longer texts.

► High resolution 1000 DPI sensor

Enjoy total control: The high-performance 1000 DPI optical sensor of the mouse offers you smooth and accurate mouse-pointer control.
