Stay connected to business. Get simple setup and easily print, scan, and copy from your smartphone with the HP Smart app ('n' and 'w' models only).¹

Legendary
HP quality at an
affordable price

- The HP quality and reliability you've come to count on.
- Sharp black text and vibrant colours* ensure your documents are printed to perfection.
- Full-featured laser printing at an entry-level price means you can get all the features of a luxury office printer without breaking the bank.

* Colour laser only.

Designed to fit
your space

- Improve your office's aesthetic with the world's smallest in-class colour laser printers and MFPs.²
- Business doesn't need to wait for your printer. Help maximise your uptime with print speeds up to 21/20 ppm (letter/A4) for HP Laser and 18/4 (black/colour, A4) for HP Color Laser.³
- The innovative design means you can print, scan, and copy* even in the smallest of spaces.
- A clutter-free workspace means you can think, work, and print efficiently without trouble.

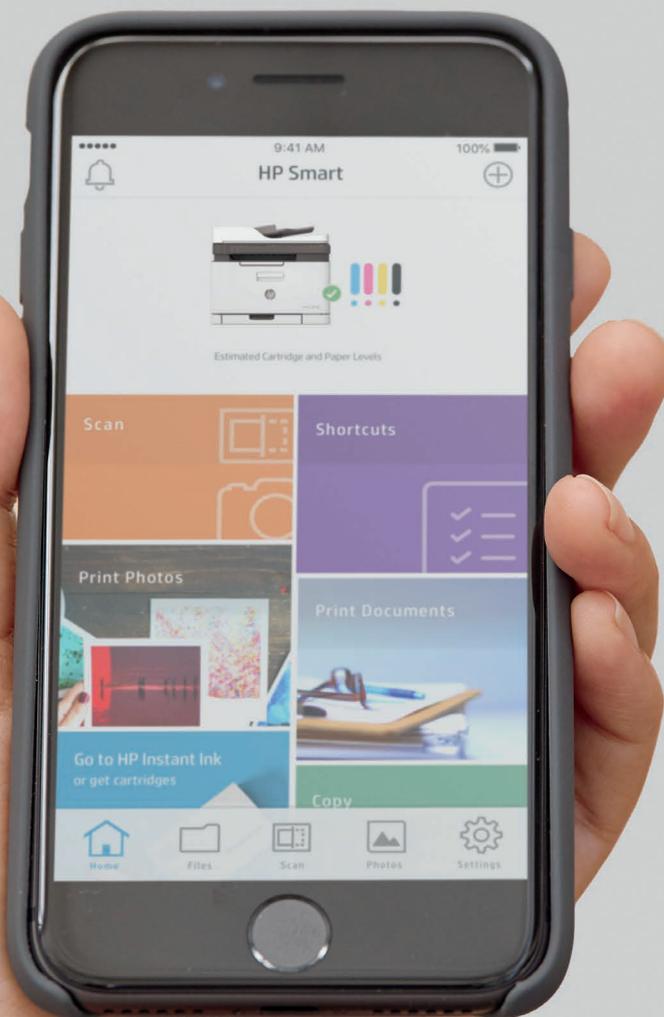

* MFP only.

HP Smart app

The power of your printer in the palm of your hand

Get the app that's designed to control your printer. Get simple setup and print, scan, and copy from your phone with the HP Smart app. Connect via Wi-Fi® or Ethernet and you'll be all set for mobile printing success.¹

Your device, your choice

Print from wherever you want, whenever you want with the HP Smart app.

Extend your orienting reach

Keep your office connected. Built-in wireless capabilities let you easily access, print, and share resources on a network.⁴

Scan and copy

Easily scan or copy documents using your smartphone and share them using the cloud or email—from virtually anywhere.¹

Print

Use the HP Smart app to print your favourite photos or documents quickly.

No network, no problem

With the HP Smart app, you can connect directly to the printer, even when there is no network connection available.

HP Laser and Color Laser Family

* Some features apply to specific printers in each series.

HP Color Laser 179fwg MFP

1. Requires the HP Smart app download. For details on local printing requirements, see hp.com/go/mobileprinting.

2. Smallest in-class footprint compared only to dimensions of majority of worldwide competing personal colour laser printers (defined as non-discontinued colour laser printers <\$200 USD and colour laser MFPs <\$300 USD); HP internal research of printer manufacturers' published specifications as of September 4, 2018, and Keypoint Intelligence-Buyers Lab 2018 study commissioned by HP. Market share as reported by IDC CYQ2 2018 Hardcopy Peripherals Tracker. Footprint for HP Color Laser 150 printer series is 183 square inches, for HP Color Laser 170 MFP series is 228.8 square inches. For details, see keypointintelligence.com/HPColorLaser.

3. Excludes first set of ISO test pages. For details, see hp.com/go/printerclaims.

4. Wireless performance is dependent upon physical environment and distance from access point, and may be limited during active VPN connections.

5. Compared to majority of OEM mobile printing apps for inkjet and laser printers and all-in-ones for home and home office, priced less than or equal to \$429.99. Market share as reported by IDC CYQ2 2018 Hardcopy Peripherals Tracker. Claim based on lab testing and research of printer manufacturers' mobile print apps and Keypoint Intelligence-Buyers Lab study commissioned by HP. See September 2018 report at keypointintelligence.com/HPSmartApp.
