

APEX M400

Title	Apex M400																																	
Description	The Apex M400 is a tournament-grade backlit mechanical gaming keyboard built entirely around the needs of professional gamers. Apex M400 adds to the legacy which began with the SteelSeries release of the first mechanical gaming keyboard, the 6gv2. The M400 creates a new standard with QX1 Mechanical Switches built with pro-performance and unmatched durability.																																	
Features	- SteelSeries QX1 Linear Mechanical Gaming Switches - Individual Blue LED Illumination - 100% Programmable with SteelSeries Engine - Full Anti-Ghosting with 104 Key Rollover - Standard Key layout - Under board cable management - Interactive SteelSeries Media Key
