

Manage your PC and mobile calls

Intuitive Smart Sensor™ technology

plantronics®

Intelligent communications
in and out of the office

Voyager Legend™ UC

Our best ever professional mobile UC headset.

Voyager Legend™ UC

Answers the call, answers to you. Plantronics Voyager Legend™ UC meets the demands of mobile professionals like never before, with connectivity to PC, smartphone or tablet. Smart sensors anticipate your needs, voice alerts keep you informed and voice commands keep you in charge. A portable case and desktop stand are included for anywhere charging, while precision-tuned triple mics cancel noise and wind like never before – it's the only headset you need for your mobile life.

KEY FEATURES

Superior call management

- Multi-device connectivity lets you manage PC and mobile/tablet phone calls from a single headset
- Use your voice to answer incoming mobile calls and for a host of other commands
- Enhanced voice alerts tell you caller name (mobile calls only), connection status, talk time remaining and more
- Portable USB Bluetooth mini-adapter can stay in your laptop port for always-ready connectivity

Outstanding audio quality

- Precision tuned triple-mic with enhanced DSP for superior noise cancellation
- PC Wideband delivers heightened speech clarity, providing the best possible PC audio quality
- Advanced WindSmart® technology provides three layers of wind protection
- Integrated A2DP lets you listen to streaming media from your mobile phone or tablet

Next generation technology

Smart Sensor technology for a seamless and intuitive user experience

- Automatically answers calls simply by placing on your ear
- Automatically transfers calls between mobile phone and headset
- When on a mobile or PC call, softphone presence is automatically updated
- Eliminates accidental dialing by locking call button when headset is not worn

Included accessories

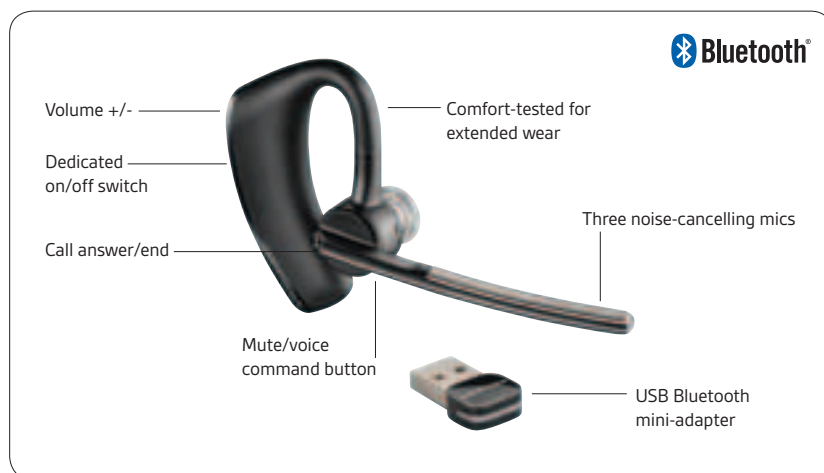

- Portable charging case provides up to 14 hours of additional talk time
- Desktop stand provides an elegant charging and storage solution
