

I1601FWUX

15.6
(39.6) LCD MONITOR

USB-C

One cable is all you need. The USB-C technology carries both the power and the display signal to the screen in one cable. It not only looks ultra-clean and sleek but also greatly improves portability of

the monitor.

Productivity anywhere you go

More screen real-estate significantly increases productivity. With I1601FWUX, connected to your

laptop you can be efficient even outside your home or office – when travelling or, visiting customers.

▫ Auto-Pivot

Change the orientation of the monitor to automatically align screen content (included AOC i-Menu software needed to activate).

Portable, elegant solution

The I1601FWUX looks gorgeous and is durable with its metal alloy case. While being just 8.5 mm thick and weighing ultra-light 800 g it is easy to travel with for work or study. It also easily fits in most notebook bags.

Smart cover

The included smart cover protects your display inside or outside your bag against dirt and damage. When the display is in use, the cover acts as a flexible screen holder, in portrait or landscape mode.

▫ USB C Video
