

# HP Pavilion 27 Display

## View entertainment differently

Entertainment that excites—this attractive, ultra-slim 68.58 cm (27") diagonal display is designed to give you the ultimate multi-media experience. With high-clarity, built-in speakers custom-tuned by B&O PLAY, a FHD<sup>1</sup> screen, and a FHD pop-up privacy camera that retracts for your security, communication is not only secure but also crystal clear.

### Pop-up. Pop-out. Completely secure.

Connect to family and friends with the crystal-clear FHD pop-up privacy camera and dual microphones. Then, pop it back out of sight to ensure your security.

### Beautifully wrapped. Designed for exceptional sound.

Enjoy incredible entertainment with exquisitely designed built-in speakers. Custom-tuned by B&O PLAY with quality-woven speaker fabric to provide an amazing listening experience.

### Entertainment at every angle

This beautiful Full HD<sup>1</sup> ultra-slim display comes with IPS technology. It gives you fantastic views from every angle and a USB-C™ video port that's entertainment ready.

<sup>1</sup> Full high-definition (FHD) content required to view FHD images.

---

## Featuring

### FHD display / 1080p display

Be prepared for brilliant visuals and crisp images with the unforgettable quality of this stunning FHD display.

### Audio by B&O PLAY

HP speakers, custom-tuned in collaboration with experts at Bang & Olufsen, deliver rich, authentic sound. Don't just listen – let the immersive experience move you.

### Micro-edge display

With virtually no bezel encircling the display, an ultra-wide viewing experience provides for seamless multi-monitor set-ups.

### Highly accurate color

With more than 94% sRGB color space, this HP display provides ideal color reproduction with minimal effort. Perfect for photos, videos—all your creative projects.

### AMD® FreeSync™ technology

See and feel the difference of fluid, responsive gameplay. By synchronizing the refresh rate with your GPU, AMD® FreeSync™ makes display stutter, input lag, and screen tears ancient history.

### Off the desk and on the wall

The display is equipped with standard VESA mounting for showcasing on a wall or swivel arm.

---

<sup>2</sup> All performance specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower.

<sup>3</sup> FreeSync™ is only available when it is connected on DisplayPort or HDMI. FreeSync is an AMD® technology is enabled on FHD or QHD displays and is designed to eliminate stuttering and/or tearing in games and videos by locking a display's refresh rate to the frame rate of the graphics card. AMD Radeon Graphics and/or AMD A-Series APU-compliant monitors with DisplayPort/HDMI Adaptive-Sync required. AMD 15.11 Crimson driver (or newer) required to support FreeSync over HDMI. Adaptive refresh rates vary by monitor. More information is available at [www.amd.com/freesync](http://www.amd.com/freesync).

<sup>4</sup> VESA mounting arm or wall mounting assembly sold separately.
