HP ENVY Laptop 13-ah1507sa

Exceptional power in a sleek, stylish design

See the power of elegance in motion and explore the freedom to make serious impact. Supported by an Intel® processor, optional NVIDIA® graphics, and lightning-fast storage, it delivers all the confidence you need in a laptop.

TOUCH

Power to perform
Confidently power through any project that comes your way. Thanks to the Intel® Core™ processor, NVIDIA® GeForce® MX 150 graphics on select models, and up to 16 GB RAM, you have all the power you need for up to 14 hours[3] on the go.

Designed for mobility
Elegance and durability are crafted in a thin and light, all-aluminum design with an optional Corning® Gorilla® Glass NBT™ touchscreen that syncs beautifully with a full-size keyboard. Experience a greater sense of freedom thanks to secure logins with the integrated fingerprint reader.

BANG & OLUFSEN

Elevated entertainment
Immerse yourself in next-level entertainment on an ultra-bright FHD[1] or on select models 4K UHD[2] micro-edge display. Quad HP Speakers custom-tuned by experts at Bang & Olufsen awaken your senses with PC audio perfection.

[1] Full high definition (FHD) content required to view FHD images.
[2] Ultra high definition (UHD) content required to view UHD images.
[3] Windows 10 MobileMark 14 Battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See https://bapco.com/products/mobilemark-2014/ for additional details.

HP ENVY Laptop 13-ah1507sa

Featuring

All metal chassis
See and feel a heightened sense of craftsmanship with an all-metal angular design, polished accents, and high-quality materials built to last.

Sleek design
Easily take this thin and light PC from room to room or on the road. When your PC goes wherever you go, staying productive and entertained has never been easier.

Dual 4K support
Complete with all the ports necessary for an immersive dual 4K set up, get an expansive entertainment or productivity experience by easily connecting two external 4K displays.

HP Fast Charge
When your laptop is low on power, no one has time to wait hours to recharge. Power down your device and go from 0 to 50% charge in approximately 45 minutes.
