What can I do with this system?

Swann True Detect™ PIR Motion & Heat Technology

Old

All movements, including objects that don't matter like leaves & trees, trigger motion detection & recording

New

Designed for your security, the PIR motion sensors distinguish heat & movement of larger objects including people & cars

QuickReview™

Review different periods of time from the same camera in a multiview mode

Quickshot™ Cloud

Quickshot™ Time Lapse will display a slide show from all channels so that you can filter multiple channels at once with the ability to save images to your personal Dropbox account
