Expression Home XP-335

Part of Epson's small-in-one range, the XP-335 is ideal for those looking for high-quality, cost-effective printing in the home. With individual inks, only the colour used needs to be replaced, helping to save on costs. It's versatile too, and Epson Connect offers a whole suite of mobile printing options. Featuring a stylish design, it is sure to complement any living space.

Efficient & affordable
Utilising Epson's Claria Home Inks, this small-in-one is ideal for producing crisp, clear text and glossy, lab-quality photos. Individual ink cartridges mean only the colour used needs to be replaced to save on costs.

Mobile printing
Whether using a smartphone or tablet, the iPrint app[1] can be downloaded to a range of devices for truly wireless printing and scanning. The possibilities don't end there, with Epson Email Print[1], it is possible to print from anywhere in the world[1] by simply emailing documents and photos directly to the printer. For creative-minded people, the Creative Print[1] app can access Facebook photos, create custom greeting cards and stationery, and even turn photos into colouring book templates. For added versatility, Wi-Fi Direct allows easy printing from compatible wireless devices without the need for a network connection.

PC-free printing
Simply slot in a memory card and use the 3.7cm colour LCD screen and helpful menu prompts to print your photos without a PC.

Space saving
Stylish and compact - the XP-335's small and lightweight design means it doesn't take up much valuable desk space.
