

USB 3.0 External HDD

**For TVs, Recorders,
and Video Cameras**

BUFFALO™

HD-AVSU3

Ready to Capture – and Keep – your Favorite Programs and Entertainment

Buffalo Technology's new HD-AVSU3 series enables users to maintain extensive media libraries while freeing up TVs, TV recorders, and video cameras to keep recording – and making – the programs and movies you love.

Buffalo's new external hard drive is ideal for capturing and storing multimedia content. It's compatible with TVs, TV recorders, video cameras, computers, and almost any other device with a USB port. Users will enjoy added speed when paired with USB3.0 devices.

Buffalo's HD-AVSU3 series is also the only Panasonic-approved external hard drive and includes optimized firmware that helps ensure smooth streaming playback with special AV commands and superior error handling for Panasonic devices.

Buffalo's HD-AVSU3 is available in 1 or 2TB capacities.

HD-AVSU3

Features and Benefits

- Works for everyone, optimized for Panasonic
- Ideal for capturing and storing multimedia content: share and enjoy your digital media
- Compatible with TVs, TV recorders, video cameras, computers – almost any device with a USB port
