PRINTING FOR
YOUR OFFICE

INTRODUCING THE NEW COMPACT MONO LASER RANGE BUSINESS QUALITY PRINTING FOR YOUR OFFICE

Brother understands that your office runs on information. The new range is packed with business features that deliver excellent results consistently. The range provides affordable quality mono laser printing to suit your office needs. High quality documentation combined with Brother's guaranteed reliability, the range provides outstanding results repeatedly.

COMPLETE LASER RELIABILITY.

Redefining High Performance:

High quality mono print resolution ensures consistent output in crisp, sharp detail. This range also allows you to reduce paper consumption by up to 75%. Simply use automatic 2-sided and booklet printing as standard for A5 booklets to produce your essential business documents.

This range has specially designed features to keep your running costs low. The optional high yield toner cartridges together with the separate drum ensure running costs are kept to a minimum.

Brother's new mono laser range is compatible with a range of mobile device solutions. This will allow you to print from a host of applications and file types:

Our print & scan app offers extremely convenient printing, helping you improve productivity levels. Brothers iPrint&Scan allows you to print and scan straight from your Apple iPhone, iPad, iPod touch, Android™, Kindle Fire™, Windows® Phone 7, and Windows® Phone 8 mobile devices whenever you're connected to the same network as your printer.

Another supported technology is Google Cloud Print, which allows you to connect your printers to the web. You can make your printers available to you and anyone you choose, from the applications you use every day. Google Cloud Print works on your phone, tablet and any other web-connected device you want to print from.

AirPrint allows you to print your email, web pages and documents. There's no software to download, no drivers to install and no cables to connect. With just a few taps, you can go from viewing something on the screen to holding a printed copy.

Built for speed, this range has an impressive first page out time of less than 8.5 seconds. With a print speed of up to 26ppm it'll easily handle your print demands.

MFC-L2700DN

COMPACT MONO LASER ALL-IN-ONE PRINTER WITH WIRED CONNECTIVITY

- Up to 24ppm print speed
- Automatic 2-Sided print
- 250 Sheet Tray
- 35 Sheet ADF
- 2 Line LCD
- Wired Network
- Hi-Speed USB 2.0

MFC-L2700DW

COMPACT MONO LASER ALL-IN-ONE PRINTER WITH WIRED AND WI-FI CONNECTIVITY

- Up to 26ppm print speed
- Automatic 2-Sided print
- 250 Sheet Tray
- 35 Sheet ADF
- 2 Line LCD
- Wired & Wireless Network
- Hi-Speed USB 2.0
- 32MB Memory
- 700 page inbox toner
- Mobile Printing

DCP-L2520DW

COMPACT MONO LASER ALL-IN-ONE PRINTER WITH WI-FI

- Up to 26ppm print speed
 - Automatic 2-Sided print
 - 250 Sheet Tray
 - 2 Line LCD
 - Wireless Network
 - Hi-Speed USB 2.0
 - 32MB Memory
 - 700 page inbox toner
 - Mobile Printing
