Lyte Single

LapCabby Lyte Single / Multi / Mini / Wall Lyte

LapCabby Lyte combines all our most tested and loved features, to bring you a space saving range of static ICT storage solutions that are perfect for smaller deployments and 'lighter' on your budget.

Our latest range offers you a multitude of choice - from desktop storage to floor standing and wall mounted solutions. You can also choose from digital key pad access on individual door-per-device units or single doors that secure up to 16 devices. Supporting a range of deployment sizes from 10, 16, 20 or 32 devices - there really is a Lyte for any classroom or work space!

As standard with LapCabby you will receive lifetime warranty and a product that has been tested to the very highest global standards. And it wouldn't be signature LapCabby unless you can choose your favourite colour.

So welcome to LapCabby Lyte – all our favourite features combined to deliver ergonomic and cost effective solutions, without having to compromise on quality, functionality or style!

Reasons to Love LapCabby Lyte

Our latest range may be Lyte by name – but it's still packed full of essential features and benefits

- ⊙ Charge laptops, Chromebooks and tablets up to 15"
- ⊙ Or mini devices up to 8" including tablets, iPods, iPads, iPad Mini's, iPhones, mobile phones and kindles
- ⊙ BYOD solution with code locks available
- ⊙ 1:1 solutions with single locks available
- ⊙ Isolated power compartment for electrical safety
- ⊙ Robust and secure
- ⊙ Small footprint and ergonomic design
- ⊙ Built from scratch
- ⊙ Delivered fully assembled
- ⊙ Rapid delivery times
- ⊙ Tested to the highest safety standards worldwide
- ⊙ Lifetime warranty

Great things really do come in small packages

Lyte Single, Multi & Mini

1. 12mm grey MDF fixed shelves for extra strength

2. Individual doors with programmable digital key pads (Multi)

3. Isolated power compartment for electrical safety (Single)

4. Colour coded inset door handle and power compartment cover – available in a range of colours. Inset, coloured door handles prevent protruding parts

5. Supplied fully assembled as a static solution, with non-marking feet

6. Cable clip portholes that feed cables from the back power compartment to the front of the unit, preventing cables from being removed from the front

7. IEC power cables plug into the mains and are designed to snap out if pulled away from the wall, preventing damage to the unit or any nasty trips

8. Air vents to the base and rear allow constant air circulation, so no fan is required and devices charge in silence

Wall Lyte

9. This compact solution saves precious space in the smallest classroom, office, retail space or anywhere else (wall fixings included). Compact and secure, wall-hung storage for 10 tablets up to 15" with a single key locked door

Materials	18mm MFC, 12mm MDF, 1.5mm powder coated steel
Finishes / colours	LapCabby loves a splash of colour! Cabinets can be personalised to match school colours, differentiate cabinets for different subjects or grades or just for fun! Classrooms are colourful - why put up with a black or grey square box? Blue, orange, lime, purple and charcoal!
FREE shipping	All our prices INCLUDE shipping! (For UK and US only)
Fully assembled	Our products are delivered fully assembled. Or as we say ready to roll
Additional extras	No hidden extras, what you see is exactly what you get, everything you need is included! We make sure we include everything you need to have a safe, efficient and bright cabinet in the classroom
Future proof	Yes, we have cabinets that accommodate laptops, Chromebooks and tablets at the same time and charge all devices simultaneously. It's handy to have a cabinet that charges all sorts of devices all at the same time. Whether classroom devices get bigger or smaller, they'll fit in a LapCabby Lyte for many years to come
Cable management & ease of wiring	Separate compartment safely stores cables, cable management and electrics away. Once the coloured panel is unscrewed, full access to the cables make it quick and easy to wire up. Having complete access to the cable management reduces the time it takes to set the cabinet up and means you don't have to squeeze your hands into tight spaces. If a charger needs to be removed or you need to access the electrical compartment you don't want to have to unload the entire cabinet. For safety reasons, a locked compartment to store the electrical components is important, plus cables can go missing if they are accessible from the front of the cabinet
Usable top surface	Yes
Testing certifications	Pending
Lifetime warranty	Lifetime warranty on all products and components, 2 years warranty on electrics. Product support for life! LapCabby offers the best warranty on the market (with no small print to consider. We make it easy to understand and we support our end users for the life of the product!)

About LapCabby

Clever technology solutions that tick all the boxes.

For twenty years we've been developing innovative products that our customers love. We make portable storage trolleys and charging solutions for laptops, tablets, e-readers, Chromebooks and netbooks. They're the smart way to keep your tech safe, charged, and in one secure place.

Developed over two decades with the help of customers and technology users, we've included some really ingenious features to ensure our products do everything you need them to – and a little more besides. Our trolleys are used everywhere, from schools, libraries and museums to restaurants and even laboratories, so wherever you are our products are sure to make a difference.
