System Requirements

- Slimport®/MyDP enabled video source device (i.e. Smartphone, Tablet)
- VGA enabled video display device w/ cabling (i.e. television, projector)
- (Optional) Micro USB Cable (Typically included with Smartphone or Tablet)

Note: The adapter will not transmit digitally encrypted content (HDCP). As a result the adapter is intended for use with Slimport-enabled Chromebook computers such as The HP Chromebook™ 11. This adapter is not compatible with the Google™ Nexus Smartphones/Tablets (4,5,7,10) as these devices always have HDCP enabled.

Hardware Installation and Operation

1. Connect the **SlimPort Breakout Cable** to the Micro USB Port on your Slimport-enabled video source device.
2. Connect a VGA cable (not included) from the **VGA Output Port** on the SLMPT2VGA, to the VGA input port on your **VGA-enabled video display device** (i.e. television, projector).
3. **(Optional)** If you would like to provide power to your smartphone or tablet while connected to the SLMPT2VGA, connect a USB Power source to the "Micro USB Power Port" on the SLMPT2VGA using the USB A to USB Micro B cable included with your mobile device.
4. The **Slimport-enabled device** output will now appear on the **VGA display**.

FCC Compliance Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Use of Trademarks, Registered Trademarks, and other Protected Names and Symbols

This manual may make reference to trademarks, registered trademarks, and other protected names and/or symbols of third-party companies not related in any way to StarTech.com. Where they occur these references are for illustrative purposes only and do not represent an endorsement of a product or service by StarTech.com, or an endorsement of the product(s) to which this manual applies by the third-party company in question. Regardless of any direct acknowledgement elsewhere in the body of this document, StarTech.com hereby acknowledges that all trademarks, registered trademarks, service marks, and other protected names and/or symbols contained in this manual and related documents are the property of their respective holders.

Warranty Information

This product is backed by a two year warranty.

In addition, StarTech.com warrants its products against defects in materials and workmanship for the periods noted, following the initial date of purchase. During this period, the products may be returned for repair, or replacement with equivalent products at our discretion. The warranty covers parts and labor costs only. StarTech.com does not warrant its products from defects or damages arising from misuse, abuse, alteration, or normal wear and tear.

Limitation of Liability

In no event shall the liability of StarTech.com Ltd. and StarTech.com USA LLP (or their officers, directors, employees or agents) for any damages (whether direct or indirect, special, punitive, incidental, consequential, or otherwise), loss of profits, loss of business, or any pecuniary loss, arising out of or related to the use of the product exceed the actual price paid for the product. Some states do not allow the exclusion or limitation of incidental or consequential damages. If such laws apply, the limitations or exclusions contained in this statement may not apply to you.
