

SafePort Rugged Tablet Case for iPad (2018/2017), 9.7" iPad Pro, iPad Air 2 - Grey/Black

THD135GLZ

Description

Targus SafePort® Case for the iPad (2018/2017), iPad Pro 9.7 and iPad Air 2 offers robust protection for demanding environments. Whether you're entrenched in a rugged job site, or tackling the daily route from class to class, this case has you covered. A shock absorbing moulded TPU shell provides advanced protection from sudden drops and harsh environmental conditions while an integrated, bezel-less screen protector protects the device where it is most vulnerable. Sound scoops built into the case around the device speakers enhance and direct sound towards you. For added versatility, the case includes an integrated sliding stand for landscape viewing and typing positions as well as an optional, detachable hand strap and shoulder strap.

Features

- Heavy duty, shock-absorbing case for the iPad (2018/2017), iPad 9.7, iPad Air 2 with integrated screen protector
