Performance to go

Breakthrough Performance

(intel)
Centrino 2
inside™

Featuring state of the art Intel® Centrino® 2 processor technology, which delivers unrivalled system performance, enhanced energy efficiency and advanced connectivity to keep you working longer.

* Centrino® 2 is based on factory specifications.

Sharper Display

13.3"

The 13.3" Widescreen displays provides up to 30% more viewing area and allows you to enjoy photolike image quality, greater viewing angles and better text legibility.

Conventional LCD

Super Bright Gloss LCD

Touch of Colour

Imagine style. Imagine power. Imagine a touch of colour for an aura of excellence and sophistication. Our latest generation of notebooks advance Samsung's signature style with an ultra-sleek design and a deep rose red infusion that illuminates their piano-black, glossy finish.

The Samsung Q310 makes real impact.

By combining sensual slim-line design with innovative multimedia and communications technology, the Q310 notebook sets a new standard in mobile performance. And at just 2kg, the ultra-portable design is ideal for style-conscious students or power hungry business users who need to keep in touch on the move.
