imagine no compromise
Samsung Notebook PC R510

Breakthrough Performance

Featuring an Intel® Pentium™ Dual Core processor, this literally puts the power of two processors into one. Open up your favourite applications knowing that their will be no compromise on performance.

* Intel® Core™2 Duo is based on factory specifications.

Sharper Display

The R510's SuperBright© 15.4" wide display provides up to 30% more viewing area than traditional screens, and delivers photo-like image quality, greater viewing angles and even better text legibility.

Conventional LCD

Super Bright Gloss LCD

Aura Design

Imagine style. Imagine power. Imagine an aura of excellence and sophistication. That's what defines Samsung's 2nd generation "Aura" notebooks – our most stylish notebooks to date. Built to the highest specification and finish, the Aura range make a truly positive lifestyle statement.

The Samsung R510 redefines value.

Even the most budget conscientious user cannot fail to be impressed by its perfect balance of functionality, style and value. Featuring state-of-the-art Intel® processor technology combined with advanced connectivity and an ultra clear 15.4" widescreen display, the R510 sets a new standard in optimized performance. With Offerings in three breath-taking finishes inside their sheer black case, the R510 is the perfect choice for anyone who appreciates premium class with exceptional economy.
